## **Warning – Potential Fraud/Scam of Website**

It has come to our attention that a third party has adopted the content of our website and in so doing are misrepresenting themselves as associates or representatives of Woburn Energy Plc. This third party website is apparently run by a company called Geepee Oil Company Limited which does not exist as a UK corporate entity. It appears that this is a fictitious company and a scam website.

Accordingly we wish to make it clear that the scam website and the entity calling itself Geepee Oil Company Limited are in no way related to, authorised by or connected to Woburn Energy Plc.

Please note that Woburn do not send unsolicited business propositions and/or offers. If you wish to know whether any third party purporting to be or to represent Woburn Energy Plc is genuine, please contact us directly on 0207 380 4609 or via email on [info@woburnenergy.com](mailto:info@woburnenergy.com).

We are taking this matter very seriously and are reporting the illegal activity to the appropriate legal authorities for suitable action.
